Angel Ligsay

so paano natin ididivide yung tasks?

6 ung classes divide by 3

guds?

Angel Ligsay

gege

Card CardDeck Pile Player Game War

bale 2 class per member

tapos kailangan ung UMLET for each class

You replied

<http://homepage.divms.uiowa.edu/~slonnegr/oosd/22OOD.pdf>  
pili kayo ng class mo, andito schematics

Angel Ligsay

mas maganda kung sunod sunod yung pipiliin natin

like kunwari ikaw card and cardDeck na ganun

yeah gud point

ako na last mag pick

Angel Ligsay

@Marielle Malacca Gabriel ano sayo?

ung War, siya ung mismo cocompile/run ung game

Angel Ligsay  
ako na lang sa first 2

Marielle Malacca Gabriel  
Ako na sa susunod

Marielle Malacca Gabriel  
Na 2

Angel Ligsay  
and we need to setup our github accounts ata 🙌 1

Marielle Malacca Gabriel  
meron nako github  
Ano ba accounts niyo jahaha

Angel Ligsay  
tapos may task yung leader na magmemerge something

Angel Ligsay  
yes

Marielle Malacca Gabriel  
Paano pala one note

Angel Ligsay  
alin dun? yung pang individual or yung pang group?

Marielle Malacca Gabriel  
Sa group  
Kasi yun lang chinecheck daw ni sir eh  
Hahaha 😊 ↩️ ...  
May ilalagay ba dun?

... ↩️ 😊  
Card CardDeck Pile Player Game War  
^

Sige ako na ung last 2  
kailangan ng UMLET ng mga classes

yes kailangan sa repository ko ung mga codes niyo  
tapos ako ung "master"

sinulat ko ata sa yellow paper ko  
kailangan may isang documents  
din
